## Planning Board Continues Public Hearing on Clearview Estates

**By Rosalie Tirella**

MILLBURY - A year later, some residents of the Park Hill area of Millbury are still very much opposed to a proposal submitted by Francis Castagnetti, Trustee for C&F Realty Trust of Framingham, for a definitive 113-lot duplex subdivision entitled "Clearview Estates" on the site of the former Clearview Country Club.

At a February 18th Public Hearing, James Burgoyne, an attorney representing Todd Miles, an abutter, handed the board a list of grievances surrounding the proposal.

One of Burgoyne's concerns was "adequacy of traffic within the subdivision and outside (the subdivision)." Burgoyne maintained that substantial traffic from the complex would be going through Hayward Glen.

"If the board approves," he said, "it will be waiving several requirements. Until Hayward Glen is built and a master drive completed, you'd be approving a dead end street."

Burgoyne went on to discus other concerns including utilities and the lack of drainage information, adding that there are "still a lot of unanswered questions."

Kenneth Mickiewicz, an attorney representing Clearview Realty Trust, replied, "I agree with a couple of things Mr. Burgoyne said," but added, "His analysis of the law is incorrect."

Mickiewicz went on to say that the board was meeting tonight to reconsider evidence that has already been presented, and maintained that the board should vote on the proposal.

Several residents in attendance also aired their concerns. In reply to a question from Nancy Grigas, of Weldon Drive, on whether he intends to build a sidewalk for the children on Park Hill Ave., Castagnetti replied that he did not own the road and therefore could not say he would build sidewalks. He stated that it would be up to the people who own the land or up to the town.

With respect to the safety of the road, board member Arthur Moore said, "It is an unsafe road, but we can't expect Mr. Castagnetti to build a sidewa ditch." He added, "Right now, the nt to do anything with it." also of Weldon Drive, said, "T of Millbury) don't want your dev aid he would be more receptive to a proposal if it was "something realistic, something that fits into the community."

Board Chairman, Gary Swenson, sensing a stalemate had developed, suggested that the board continue the hearing at a later date. "With the added information from Mr. Burgoyne, and Terry (Burke-Dotson) being new on the board, we are going to continue the hearing until March 3 at 7:30 p.m."

## Open your mouth and say "Ahhh..."

MILLBURY -The kindergarten class at Elmwood Street School visited Hahnemann Hospital recently. "Dr." Michael Russell, "Nurse" Peter De Caro, and "patient", Scott Shevchenko are assisted by Mrs. Hodgeman and Miss Cathy during a mock tonsillectomy.

## Resource Recovery Committee Meets;

### *topics include final testing report, Ethics Commission, ash residue*

MILLBURY - The Resource Recovery Advisory Committee met recently with two new members of the committee being introduced: Catherine Marchand and Conservation Commission representative, Kathy Klein.

Chairman Stephen Walinsky passed out copies of the final Environmental Baseline Assessment report prepared by ERT. The report included the results of milk samplings taken from a cow in West Millbury. The results showed no detectable levels of dioxins in the milk. Walinsky explained that ERT representatives would meet with the committee to go over the document and explain the implications of a typographical error which was brought to the board's attention by Catherine Marchand. The error had to do with a dioxin level reported as 2.05 when in effect it was measured as 205.0. The reading occurred in the air samples gathered at the Millbury Middle School in July.

Walinsky then informed the committee that he was contacted by Robert Turner, a member of the State Ethics Commission. In making the announcement, Walinsky stressed that no individual in particular was being investigated but that the Ethics Committee had subpoenaed minutes from the Advisory Committee and also records from ERT.

Committee member Fred Ploch questioned Walinsky on who might have contacted the Ethics Commission. "You never know who is questioning your judgement," Walinsky replied, adding, "He was very inquisitive about our contract with ERT."

Lee Reagan, a spokesperson at the Ethics Commission, stated that it was their policy to neither confirm nor deny that any matter is under investigation. She did, however, confirm that Robert Turner is one of the Commission's investigators.

In another matter, Walinsky reported that he had received a letter from the Selectmen requesting that the Advisory Committee discuss the issue of obtaining the ash residue from Wheelabrator-Millbury Inc. The matter had been brought before the selectmen by Alged Rudnickas, a former member of the Resource Recovery Advisory committee.

Mention was made of the Phoenix Project which has experimented with growing vegetation in residue ash. Committee member Martha Campolito explained that she had talked to a principal who had worked on the project. "He'd come to talk to us if we wanted him to because the object of the Phoenix Group was not to see if the residue was safe for growing; they just wanted to see if something would grow in it." She suggested that an expert on this issue be invited to address the board on the pros and cons of ash residue.

Walinsky stated, "The topic is mute. We have to refer back to Dan Radebaugh (Plant Manager at Wheelabrator) to see if we can even acquire it."

Radebaugh, who was seated with the committee, stated that at present, the residue can only go to the Shrewsbury landfill. "You'd have to get DEQE to relax its restraints before you could even begin talking about it. This isn't to say that it wouldn't be possible in five years, but not right now."

Radebaugh added that there are no experts in ash residue at the present time. "It's too experimental at

# Scholarship Fund to serve as Memorial to Marjorie A. Matson

MILLBURY - The Citizens' Scholarship Foundation of Millbury has begun its yearly drive. This year, however, committee members are making their requests with added enthusiasm because their intention is to establish a scholarship fund as a living memorial to Marjorie A. Matson, a beloved member of their committee and a highly respected banker and resident who passed away on September 21, 1987.

On April 18, the committee will sponsor a dinner dance at the Pleasant Valley Country Club in Sutton. The purpose of the function is to raise a sum of money adequate enough to provide a thousand dollar scholarship from the interest on the account. The committee hopes that the community will respond generously to their appeal.

Marjorie Matson was a native of Millbury. A product of the Millbury School system who distinguished herself as the highest achiever in her commercial course, she worked her way from a file clerk through the ranks to become Treasurer of the Millbury Savings Bank in 1973, and was elected Corporator of the bank in 1969 and Trustee in 1984. She was recognized as an important source of advice in crucial decision making matters which have contributed to the success of the Millbury Savings Bank.

In the banking industry, her reputation as a knowledgeable professional extended far beyond Millbury. She was frequently invited to share her financial expertise locally and regionally with clubs and finance committees. Marjorie was active in professional organizations as a member of the Massachusetts Banker's Association, Inc. and played a role in forming The Savings Bank Women of Massachusetts, the forerunner of the current Bankers' Educational Forum, a highly respected national banking organization. She was a member of Soroptimist International of Worcester serving at various times as treasurer, regional board member and as president of the Worcester Soroptimists. She served for many years as chairman of the organization's Annual Youth Citizens Awards Program which awarded $1,500 stipends to worthy high school seniors for their contributions to their family, school, community, country, and the world.

In her community, she was active in a variety of local organizations and had a special fondness for The Citizens Scholarship Foundation of Millbury of which she was a charter member and its treasurer since 1971.

The committee hopes that the many people who came to know and respect Mrs. Matson over the years will want to share in creating this monument which so epitomizes her life - a scholarship which will keep on giving.

The fund raising testimonial will take place at Pleasant Valley Country Club on April 18, from 6 - 10 p.m. Entertainment will be provided by JAVA/JIVE and hors d'oeuvres will be served. General admission tickets, which are $20.00 per person, can be obtained from any of the following committee members: Hudson Matson, Claire Matson, Stella Cullina, Carol Krumsiek, Dudley Bowker, Dorothy Morin, Marty Morin, Happy Erickson, John Marlborough, Paul Metzger, Kathleen Bird, and Angela Kerswell. Reserved tables of 10 are available by contacting Paul Metzger, Kathleen Bird, John Marlborough, or Happy Erickson.

MILLBURY SELECTMEN'S MEETING DIGEST

# Liquor License Suspension Tops Meeting Discussion

**By Edward J. Cooney**

**FEBRUARY 16, 1988**

MILLBURY - Warrants were signed prior to the opening of the meeting at 7:00 p.m. by Chairman Jude Cristo.

Minutes were corrected by Selectman Donald Gauthier for the February 2nd meeting, and approved on a 4-0 vote with Selectman John Donnelly absent. The February 9th minutes were deferred to next week for review prior to approval.

- Administrator Earl Chase reported that the formal dress ball in celebration of Millbury's 175th anniversary has been formalized and that dress is expected to be in the "period" of the founding of the town of Millbury.

- A discussion ensued on the Dog Control van which is not in use because of major mechanical problems. Cristo noted that the school department van, which will replace the dog van, will not be available for 6 weeks. He then brought up the possibility of leasing a vehicle in the interim.

Chase agreed that it was an option open to the board. He also noted the need for a vehicle, citing a recent incident where a dog was reported injured and no van was available for use by the dog officer.

Cristo also suggested checking with the Highway Department for use of a pick-up truck. Chase replied that the Department may be reluctant since they are having some mechanical problems with their vehicles.

Selectman Wynton Adams suggested checking with the Police Department as they will soon be trading in a vehicle. "We could use that vehicle for a couple of months." Adams noted that while it would only be temporary solution it would be better than renting.

- Under "Old Business," Chase reported that letters were received confirming the four appointments made at a previous meeting of town department representatives to the Housing Partnership Program.

- Turning to "Resource Recovery," the board was informed by letter that the Community Host Fee for last month was $37,978.00. The tonnage received at Wheelabrator-Millbury Inc. was 866 tons. Adams noted that the tonnage was lower than the expected 1300 tons.

The letter also stated that the property tax was deducted from the Host Community Fee. Adams stated that there was no provision for doing that. He suggested that the tax assessors and Wheelabrator get together to clarify the situation as it is questionable whether they are open to an abatement where the transfer station at the plant is concerned.

- Cristo Recognized Attorney Chris Frank, a lawyer in the Town Counsel's office, who was present for a public hearing to be held later in the meeting. Ms. Frank asked Cristo if the board would like her to conduct the hearing by acting as prosecutor or would prefer that she take an advisory role. The board agreed that she should serve in an advisory capacity. The meeting continued with Cristo moving through items on the agenda under "Old Business."

**Transformer Mortgage**

***Because rates that go up, can come down.***

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now **or** lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, **or** lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

| Initial Rate | Annual Percentage Rate |
|---|---|
| plus one point **7.75** | ***9.18%** |

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

Because rates that go up, can come down...

* Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The rate of interest on this loan is 7.75%, which reflects a discount of 1.375% from the regular rate which would have been in effect using the most recently published value of the index for this product plus the pre-selected margin of 2.50%. The discounted rate will be available for one year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 10% down payment.

- Chase reported that he had spoken with Mark Weisberg concerning the Dorothy Pond Project. Weisberg informed Chase that the elevation of the pond on the other side of the turnpike was such that the bypass pipe could not be used. He also noted that the water level at the culvert at Wheelock Ave. was lower than originally estimated and that some of the channel will be open for use during the dredging process.

Adams questioned if the Conservation Commission had been apprised of the situation and was told by Chase that they would be notified shortly.

- Chase reported that the Herricks Lane description and layout is available for the town meeting. He also informed the board that a pre-bid conference would be held for the South Main Street Bridge and that Specs for the Dog Kennel will be opened at 5:00 p.m. on February 25th.

- Board member Roland Lachance questioned whether there had been any consultation with the town concerning the sidewalk near the new office building. Chase stated that he thought the Highway Department was there during that installation and that the sidewalk followed along with the existing sidewalk.

Lachance disagreed, saying, "I don't think it does. There is a slant at the entryway to the office building. If someone slips on the ice, who will be responsible? There is a severe pitch there." Lachance suggested that board members look at it in the near future.

Lachance then noted that the burned out building on Main Street was still standing. "What does it take to get rid of it?" He reported that the demolish and building permits had been issued by

# Aroun' The Town & Golden Agers Update

*By Lillian C. Sheehan*

**CENTERVIEW APARTMENTS:** the long awaited February 15th came and, as predicted, was a huge success. A very sincere thank you to the members of the Lions Club who hosted the delicious supper of Spaghetti and Meatballs which everyone enjoyed. This was followed by entertainment which included Lions Club member Paul Emmons who joined in the singing. Needless to say, the residents of Centerview all expressed their appreciation to the Lions Club and the entertainers for a grand evening.

- Bingo will be played the remaining Wednesdays of the month and, weather permitting, we extend a cordial welcome to our friends who joined the group from Linden and Colonial, both for this and for the monthly Whist Party that is held on the first Wednesday of the month.

- Election of Officers is on the Agenda for the February Tenant's Meeting. Please try to attend.

- Welcome home to Maxime Grenier who has returned from St. Vincent's Hospital. Mamie Bailey is still a patient there, and our best wishes are extended to her and to all the convalescents. In addition, we would like to wish a Happy Birthday to all the February people whom we might have missed this month.

**WORLD DAY OF PRAYER:** on Thursday, March 3, World Day of Prayer, beginning its second century of celebration, will be held at Our Lady of the Assumption Church in Millbury. The evening will begin with a Pot Luck Supper in the church hall at 6:00 p.m. Ladies are asked to contact someone in their group (a member of Church United) to give the number that plan to attend and, if possible, the type of dish they are bringing. There have been plenty of donations made to take care of purchasing coffee etc. Casseroles are needed, as well as salads and desserts. Please call this week. All are cordially invited to attend. The meal will commence promptly, and following this, the Service will take place in the upper church with Aline Bourdeau, President, presiding.

A prayer movement of global dimensions, World Day of Prayer is a worldwide expression of mutual prayer and Christian unity. It began 101 years ago in the United States as a day of prayer for mission. It has now expanded, until today it is celebrated as a common day of prayer by thousands upon thousands of Christians in 170 countries and regions of the world. The same theme and worship materials are used worldwide, translated into hundreds of languages and dialects. In many countries, the event serves as a catalyst for women to come together to bring about changes in their lives.

The theme of this 101st World Day of Payer is "Open Doors." Written by both Protestant and Roman Catholic Women from Brazil, it reflects the background and concerns of South American women who are struggling both to achieve greater freedom and to elevate the quality of life for themselves and for all people. Church Women United (CWU), since its founding in 1941, has been the official sponsor of World Day of Prayer in the U.S., and has assumed responsibility for the preparation and distribution of World Day of Prayer resources and materials. CWU is the ecumenical movement that brings Protestant, Roman Catholic and Orthodox women together into one Christian community of prayer, advocacy and service. It represents a broad spectrum of religious tradition, race, age, economic status and ethnic background, and works through a national unit, 52 state units (including ones in greater Washington, D.C., and Puerto Rico) and 1,800 local units.

Unified by a common faith in Christ, the women of Church Women United work for the elimination of poverty of women and children and issues of peace and justice. World Day of Prayer offerings make possible, in part, the mission of Church Women United including the Intercontinental Grants for Mission program that funds national and international self development and teaching projects for women, as well as community services and disaster relief at home and abroad.

Once again, Thursday, March 3, is World Day of Prayer. The day, once a year, when people of faith on every continent join in prayer to "Open Doors" for World Peace.

Please note: All members of Church Women United are asked to call Aline Bourdeau (865-6644), or some member of CWU in their own church, to give the number of persons planning to attend the supper and the type of dish they are bringing.

**ST. BRIGID'S WOMEN'S CLUB:** the next meeting will held on Thursday, March 17. This will be a pot luck supper at 6:30 and each member is asked to bring either a hot casserole, salad, or dessert, and to bring the recipe for the article they have prepared. You may also bring a guest.

Peggy Spang, Chairwoman of the Cook Book Committee, is most anxious to get the book to the printers and she cannot do this without the required number of pages. Please either send or bring as many recipes as you possibly can to this March 17th meeting.

Mrs. Alan Dearnley and Mrs. William Jensen are co-chairwomen of this meeting, and they will be assisted by Mrs. Mary-Jo Boire, Mrs. Raymond Chase, Mrs. Daniel F. Donovan, Mrs. George Erickson, Mrs. Thomas Kelley, Mrs. Robert Leblanc, Mrs. Vyto Morkunas, Miss Ellen Norton, Miss Rosemary Norton, Mrs. Thomas O'Brien, Mrs. Adolphus Paquette, and Mrs. Leo Powers.

Ms. Pat Gratton will entertain with hints, recipes and other information. Please remember to bring your own recipes.

- The annual Scholarship Whist Party will be held in the church hall on Friday, April 8, at 7:30 p.m. Members of the club are asked to bring groceries to the March meeting for the April food baskets and attendance prizes.

# Ben Franklin to attend Historical Society Meeting

MILLBURY - The annual meeting of the Millbury Historical Society will be held on March 8 at 7:30 p.m. at the Asa Waters Mansion.

Guest speaker, Henry L. Burnett of Sturbridge, will portray Ben Franklin. He will weave adages, tales, and historical commentary into a dramatic monologue. Mr. Burnett has appeared as his long-time idol before some 2,000 audiences since he began in 1985.

Refreshments will be served. The public is invited.

# Sutton Senior News

# Our Gang to be featured in Library's Book Discussion Series

MILLBURY - On March 24 at 6:30, the Millbury Public Library, 128 Elm Street, will present the second program in its three part series "Beyond the Best Seller List: Reading and Discussing Books with Alex Belisle."

Belisle, a professor at Becker Junior College and publisher of the Millbury-Sutton Chronicle, will be discussing one of the 70's funniest and most telling books, Our Gang by Philip Roth. Professor Belisle will use Our Gang as a basis for discussing contemporary literature. Copies of Our Gang are available at the Library.

Register for this provocative and educational program at the library or by calling the library at 865-1181.

# Does your child Misspell, "Mispel", "Misspel", "Mispell"?

**By Edward J. Cooney**

**February 17, 1988**

MILLBURY - The first item of business on the School Committee agenda concerned a request to provide funding in the budget for replacement of the cheerleader uniforms which are four years old and in some disrepair. After some discussion, committee member Patricia Cooney moved that $2100 be budgeted to allow for the purchase of new uniforms. The motion carried on a 4-0 vote.

- Mrs. Pojani, a parent in attendance, informed the committee that she had spoken to Tom Dunford, President of the Millbury Little League, who indicated that the league would purchase 23 sweaters for the Varsity and J.V. basketball teams at a cost of $14.00 each. Dunford stated that monies from bingo would be available to support the cost. Mrs. Pojani requested that the committee write a letter of thanks to Dunford and the Little league for their support. The committee concurred with her request.

- The Committee accepted the second reading of the Homework Policy after making minor changes in wording. Dr. Troughton, Curriculum Coordinator, noted that through the efforts of teachers and department heads, certain homework practices which were common to various departments at the high school were placed in the front of the High School Homework Policy.

Mrs. Cooney suggested that the policy be identified as covering K-12 rather than 3-12, as written at present, since there was an abbreviated policy for the primary grades included in the policy presented for review. She noted that the change would clarify the policy for the whole system.

There will be one more reading of the policy before final approval.

- Committeeman Edward Wilczynski brought up an item of concern which related to students being made aware of spelling errors in their daily school work. He emphasized that strong efforts should be made by teachers to underline the errors and to help the students correct their misspellings. A discussion then developed as to how that could or should be incorporated in a homework policy.

While both Dr. Sylvia and Dr. Troughton were supportive of Wilczynski's suggestion, they were not enthusiastic about incorporating it in a homework policy.

Wilczynski stated that he would be willing to look at other alternatives to insure that student's papers are graded for spelling, that misspelled words are underlined, and that students are assisted in making corrections.

Mrs. Cooney stated that she was agreed with Wilczynski's views and noted that this was something to be done on a daily basis and should be uniform throughout the whole system.

Sylvia responded, "When we get into writing more we will get the staff to develop these problems through the writing program." In reply to a statement by Wilczynski that the matter should not be limited to the writing program, Sylvia said, "Every teacher should be a writing teacher."

- Under "Informational Items," Sylvia reported that representatives of the Student Advisory Committee would be present at the next meeting.

the building inspector. Lachance then asked that all parties involved, including the Board of Health and the Building Inspector, be asked to meet with the board next week.

- A Public Hearing was called to order at 7:30 p.m. Cristo read the notice, citing the charges that liquor was sold to a minor on November 14th at 7:00 p.m. by an employee of Schofield Package Store d/b/a/ Roberts Package Store on Main Street. Cristo asked the owner, Mr. Yaskis, if the employee was present. Yaskis reported that she was working. Cristo then asked those in attendance who were to testify to stand and be sworn in under oath.

Police Office Donald Desorcy presented the evidence, citing the time, day and place noted in the charges. He then detailed the events of the evening, explaining that a minor was sent into the package store to attempt to buy a six pack of beer. The minor was to present a valid license if carded and not to lie if questioned. "The minor entered the package store, went to the cooler and picked out a six pack of beer, which is here as physical evidence. He paid for the beer and came outside to where I was parked. We left and returned later to talk to the worker who sold the beer and explained what had occurred, informing them that a violation had occurred and that a complaint would be filed in Central District Court with a hearing to be held before the Board of Selectmen."

Yaskis testified that the employee did sell the beer and thought the purchaser was of age. "There was a mistake in judgment. He looked over 18 years of age. There is no excuse. He should have been carded," said Yaskis.

Cristo asked how long the employee had worked for the store. Yaskis replied that she was just filling in because he and his wife had gone away. Cristo asked if the person who sold the beer was working tonight and Yaskis replied, "She is working at another job."

Mrs. Yaskis then stated, "This could happen to anyone. It should have never happened, but it could happen to anyone here tonight. It was wrong."

Mr. Yaskis then referred to an incident dating back 2 years where a false I.D. was used which he confiscated and turned over to the police. He noted that he wanted to press charges but has not heard from the police.

Yaskis then made an observation that, according to statutes, a person under age attempting to buy alcoholic beverages is subject to a $300 fine.

Cristo then asked for a motion to close the hearing, which was made and approved on a 4-0 vote.

Gauthier moved to suspend the license for a 7 day period: 4 days for this violation, and 3 days to be added from a previous violation in 1986 which was suspended.

Lachance asked if the Police Department had a recommendation. Chief Brady recommended a 5 day suspension for this, the second offense, plus the 3 days from the suspended previous violation.

Adams suggested that the motion and penalty should address only the violation in this evening's hearing. "We are not discussing the merits of a previous hearing violation," he said.

Cristo asked Gauthier if he wished to withdraw his motion. Gauthier said "No" and the board voted 3-1 in favor of the motion, with Adams opposed.

Cristo conferred briefly with counsel concerning setting the time of suspension. Ms. Frank stated that because an opportunity for appeal is to be allowed, a suspension could not be levied until 5 days following the public hearing. The board agreed that the suspension would run from February 23rd through and including March 1, 1988.

Gauthier moved and Lachance seconded with approval on a 4-0 vote.

Yaskis then made reference to a one-day suspension given last week for a similar violation and questioned why his penalty was more severe. Cristo replied that the circumstances were not the same and that the board's judgement was fair. He noted that this was the second violation for Yaskis.

Yaskis stated that the business is a good, family business. "It is the best we can do. You are asking us to be letter perfect. We have been verbally abused by customers for not selling them liquor because they don't have an I.D. and yet are of age. Nothing happened to the young man with the false I.D. What happens to him? Nothing."

Cristo replied, "We don't expect you to be perfect. We expect you to be extra careful and take a tougher stance. We expect that from all license holders."

Yaskis countered, "You can't win when you do card them and you can't win when you don't."

Cristo turned to Chief Brady and asked if there was anything he could suggest concerning false I.D.'s. Brady advised that owners hold them and notify police. Yaskis responded that he had already done that. Brady said he would investigate the matter. "If you have any doubt, don't sell. We have prosecuted in court cases where false I.D.'s were used as well as phony licenses."

Brady also noted that owning a package store is an occupational hazard. "These are not bad people. We have to prevent this. It's an occupational hazard. When you go into business you know it. We are not trying to condemn anyone," said Brady.

- Following the hearing, Brady was questioned on the possible use of one of the police cruisers by the dog control officer. Brady cited the problems with the vehicle which precluded any use of the vehicle for dog control.

When asked about the present canine police car, Brady noted its use might be possible but cautioned that it was a marked car and would be representing the Police Department if used.

The board decided to look into the possible use of a vehicle owned by the assistant dog officer on a mileage or fixed fee basis.

- Cristo asked Chase if a bereavement clause was ready as part of the benefits package for the four positions under the board's supervi-

sion. Chase replied that it would be ready next week for the board's review.

- Chief Brady informed the board that the information requested on the overtime account was in their packets for tonight's meeting.

- Cristo then asked his colleagues if they wished to go over the warrant for the town meeting. Adams stated, "I would like to see them written up before discussing them.

Cristo asked Chase if it was possible to have them ready for the Finance Committee to review. "We don't want to be blamed if the town meeting is held up," said Cristo.

- In another matter before adjournment, Chase referred to two separate articles for a zoning change for approximately 24 acres of land owned by Rita M. Gemme on Route 146. The two options reflected in the articles are as follows: To change the zoning from Suburban II, Residential I and Business II to entirely Business II; or to change the zoning from Suburban II, Residential I and Business II to entirely Industrial I.

The board moved and approved the inclusion of the two Gemme articles on the warrant on a 4-0 vote, bringing the number of articles on the warrant to 100.

- Lachance asked if the Herricks Lane layout and description from the County Engineer's office contained enough material for the town meeting. Chase replied that other material was available to cover the discussion for approval or disapproval of Herricks Lane as a public way.

## Millbury High Nursery now accepting applications

MILLBURY - The Millbury High Nursery School is now accepting applications for the September 1988 class. For more information call Joan Banks at the High School, 865-5841.

# ZBA Votes for Indefinite Postponement on Affordable Housing Proposal

MILLBURY - The third Zoning Board of Appeals meeting held to consider a petition by Zanadu, Inc. for a comprehensive permit to build 50 units of affordable housing on Bengston Lane was an exercise in frustration for all of the participants. The first two meetings were marked by a sense of caution on the part of the Zoning Board. The February 17th meeting was also noticeable for its sense of fairness and restraint.

An apologetic Mark Donahue, attorney for Zanadu, approached the ZBA explaining, "I represented to the board that we would have a site approval letter and was advised by MHFA that the letter would be forthcoming for this meeting. This is the third time that I've approached the board and explained why we do not have the site approval letter we discussed at the last meeting."

He went on to explain Zanadu's frustration stating that their application was submitted on October 30, 1987 and that they fully expected to have the site approval letter for the February 3 meeting and the February 17 meeting. MHFA has since informed Donahue that it now wants thirty days in which the town may hold public hearings before it releases the letter. Donahue explained that none of the delays were the result of anything which they have failed to do, but rather that they are victims of bureaucratic hold-ups and changes in agency procedures.

Richard Valentino, chairman of the appeals board, stated, "It's still my opinion, and it's only my opinion, that the petition should be denied without prejudice and be refiled at a later date with the (site approval) letter attached.

"If we continue the hearing, and they don't get a letter or do get a letter that it's denied, then this will all be a waste of time."

Donahue stated that he did not see the likelihood that they would receive a negative site approval letter and that Zanadu did have a site evaluation letter from the Department of Housing and Urban Development.

ZBA member Walter Bernier explained that he had moved to give Zanadu the first two extensions, but lamented the fact that after all this time, the situation has not changed. "I believe we should follow the guidelines and deny without prejudice on the grounds their application is incomplete," he said.

Replying to Bernier's statement, Donahue stated, "We've been working with state agencies. It's not the developer's fault. Don't punish the developer for a state agency's inefficiency."

Board member John Powers referred back to the Flatley letter, reading two paragraphs which "strongly recommend" that in the absence of the letter, the ZBA seek a written agreement to suspend the hearings until the application is made complete or in the absence of such an agreement, deny the application without prejudice. The letter continues advising that in the future, any new applications that are incomplete should be denied without prejudice. "That's from the king himself," said Powers.

Appeals Board member Robert Lapinsky also argued that the developer was not to blame. "If the problem was an error or omission of the developer, I could see denying, but we're working with a state agency, and they have thrown impediments in the way. It's not right to punish the developer when the state agency failed to act by a certain time. I think we should postpone indefinitely until they have all their papers."

Turning to Donahue he stated, "I suggest that you submit all of the information to the people who have not got the information so the committees can respond back to us." Lapinsky was referring to a December 16, 1987 notice for filing comprehensive permits that requires that copies of the application be sent to all pertinent officials and boards.

Millbury resident George Brady then approached the board and questioned, "Why are you having a public hearing in the first place if they didn't have the necessary papers?"

Powers then asked the town attorney what alternatives were available to the board. She responded, "You can deny it with prejudice, deny it without prejudice, you can vote to continue the meeting to a definite date or vote to continue to an indefinite date."

Several comments followed from residents who stated they were only made aware of this evening's public hearing by word of mouth. They expressed concern about being notified of the next public hearing date. Valentino agreed to send postcards to the abutters in addition to posting a notice in the newspapers.

With that, the ZBA voted 4-1 in favor, with Bernier opposed, to postpone the meeting indefinitely until such time as all of the required material has been acquired and disseminated to the proper boards or committees.

## Ice Cutting Demonstration to be held at Wallum Lake

The Department of Environmental Management has announced that it will hold an old fashioned ice harvesting demonstration at Wallum Lake on Saturday, February 27. The event will begin at 11:00 a.m. and continue until 2:30 p.m. Phil Whitney will cut ice on the lake near the boat ramp at Douglas State Forest. In addition, Whitney will bring his collection of tools and store of knowledge about this now gone-by winter activity.

In the late 1800's, when ice harvesting on the lake was at its peak, a huge 18,000 ton ice house stood on the west shore next to a boarding house for the ice cutters. A spur railroad track connected with the main line, and ice was shipped out by rail.

In the event of inclement weather, the program will be held on Sunday, February 28, at the same time.

# Sutton's Rebekah Coulter: active model at age of six

**By Rosalie Tirella**

SUTTON - Rebekah Coulter is a very busy person. When she's not modeling and singing, she's taking skin care, makeup, diet and exercise, or poise and charm classes. Someday she hopes to open up her own modeling school, but she's not really sure. The future is far off - awfully far off - for Rebekah is only six years old.

Rebekah, a 1st grade high honors student at the Oxford Academy in Northboro, lives in Sutton with her parents, Dale and Glenn, and her brothers, 11 year old Christopher and 9 year old Seth.

For a six year old, Rebekah's schedule is as demanding as any adult's and her aspirations as high, if not higher. She tells of her accomplishments with a twinkle in her eye and a wide smile that sports a gap where two front teeth should be. She runs upstairs to get her portfolio for a visitor to see, and when she shows this reporter a photograph of herself, she points to her feet and calls them her "bottom half", and then to her torso and calls it her "top half." She fidgets and playfully grumbles when she sees this reporter taking copious notes, and she gives her mother an "Is this gonna take all day?" look.

When asked what she thinks the word "beautiful" means, she smiles, looks down at the big red cat sewn on her sweatshirt, and shrugs her shoulders.

Rebekah started her modelling career two years ago and has recently begun winning her share of beauty tiaras. So far this year, she has been crowned "Miss Massachusetts Hemisphere Model Winner," "Massachusetts Hemisphere Most Photogenic Model," "Massachusetts Hemisphere Most Photogenic Beauty," and she has won two talent competitions. She has also modelled for Hallmark and the Bridal Expo in Sturbridge and Marlboro, and has done ads for the Galleria, Old Shrewsbury Village, and Benetton.

Rebekah seems to be enjoying herself. She likes to dress up and model; she loves to sing. Her mother, Dale, says Rebekah taught herself how to carry a tune by listening to and singing along with her Whitney Houston tapes.

Mrs. Coulter believes that modelling and competing in pageants is a wonderful learning experience for Rebekah. "Kids learn a lot. They learn about sportsmanship," she said. Mrs. Coulter claims the experience has given her once painfully shy daughter self-confidence and poise. She also maintains that entering pageants is a "fun thing" for mother and daughters to do together.

Mrs. Coulter does, however, admit that there is another side. She says, "A lot of people go overboard," but she asserts that many mothers are not the pushy, competitive "stage Moms" that people often associate with children's pageants. She recalls times when she's brushed and curled other children's hair before a pageant or given another little girl an accessory that would match her outfit. "If you go in with the right frame of mind, you can really have a good time," she said.

Rebekah's mother is especially excited about an upcoming pageant called "Miss Queen", in which every child gets a trophy for their participation. "I want to stay with the ones (pageants) that are positive reinforcement."

So, for now, Rebekah will continue to model and enter beauty pageants that are fun for her. If competing ever becomes too stressful, her mother will pull her out of competitions. However, Mrs. Coulter believes that her good judgment and her daughter's healthy attitude about competition will enable them to enjoy many more fashion shows, photo sessions, and beauty contests. "I'm having a ball. We're enjoying it together," Mrs. Coulter said.

## "Teen Art Show"

The Millbury Public Library invites teens in grades 6-12 to display their art work in the library's 2nd annual "Teen Art Show" from March 2 - April 2

Art work must be suitable for hanging. Small, three-dimensional pieces will also be displayed.

Submissions due March 8 through March 22.

Teens participating in the art show will be eligible to win 5 popular rock albums donated by WICN Radio 9.5 FM.

- Dr. Troughton spoke to the release time meetings stating that good progress was being made on reviewing and providing goals that were established last October. He noted that teachers were working on goals for improvement in the areas of math, reading and foreign languages in the elementary and middle school levels through the release time meetings.

Mrs. Cooney inquired if the high school staff had met with the staff at the lower levels as the Middle and Elementary schools had done. Troughton replied that the high school staff had spent most of their time in the high school during release time meetings.

- The 2nd and last item under "Informational" concerned a public hearing on the school budget. Hanratty polled his colleagues and the committee agreed on March 9th at 7:00 p.m. at the High school for the public hearing.

- Hanratty then moved to item 3 on the agenda which concerned the results of the Mass. Basic Skills Test and the Iowa Test.

Sylvia made a presentation to the committee using graphs and an overhead projector to review and point out the highlights of the results of both tests. Sylvia emphasized throughout his presentation that the results were "on the most part decent, and satisfactory."

In response to a question by Mrs. Cooney, Sylvia stated that remedial work would be provided for those students at the elementary level who did not receive a minimum passing grade. Mrs. Cooney also asked if special needs students had taken the test. Troughton replied that the special needs students were exempt.

Sylvia then reviewed the Iowa Test results comparing, through charts, the results of classes at the elementary and high school level, which included grade 8.

Troughton advised using caution when interpreting test results, noting that testing provides a base from which to work. He emphasized that, with the results, staff and curriculum can begin to work on problem areas.

Mrs. Cooney noted a difference in test results for grades 9-12 as compared to grade 8 which did much better overall. She asked if the curiculum in grades 9-12 had any possible effect. Sylvia noted that grade 8 was unusual in that it was a very academically talented group which was identified in the lower grade levels as being such. He also noted that with additional requirements for math, science and social studies, it would be expected that the results in testing would improve over the next two or three years.

Wilczynski asked that data showing the national norms be made available for comparison.

- The committee unanimously approved a request for English textbooks and a grade 9 AIDS text.

- Under "Appointments," the committee approved the appointment of John Sheehan as night custodian at the Shaw Middle School.

- Under "Addenda Items," Sylvia and committee member Alan Tuttle brought to the committee's attention a request from the 175th anniversary committee to allow liquor to be sold on the high school grounds for a fireman's muster during the 175th anniversary celebration. Sylvia stated that he had never received a similar request for that use on school grounds, but noted that such a request had been granted for Windle Field.

In reply to concerns over liability, Sylvia stated that he would expect that the event would be well covered by police details. The committee took no action and will consider the matter further at another meeting.

- Sylvia then informed the board that he received a request from the night shift custodians to allow them to work days during the school vacation periods. Sylvia stated that both he and Tom Hamilton, School Maintenance Supervisor, thought the night men should work the regular shifts as occasionally there are evening events during vacation weeks.

Hanratty stated that if both Sylvia and Hamilton saw no reason to change the present schedule it should stay the same. The rest of the committee agreed.

- Mrs. Cooney reported that several parents had informed her that they were not aware that they could attend and speak at school committee meetings. She thought it should be emphasized and made known that parents and the public are welcome at all meetings.

- Wilczynski stated that he received a call from a parent concerning the entrance age for kindergarten children. Sylvia stated that he was made aware of the parent's concern and referred it to Principal Kelton Johnson who explained the situation to the parent's satisfaction.

- Mrs. Cooney stated that she reviewed a report from the guidance department and suggested that work performed by four counselors a week before and after school opening and closing could be accomplished with two counselors as a cost-saving measure. Sylvia replied that some of the tasks performed during that time period help to develop a smooth opening during the beginning of the school year. Mrs. Cooney agreed but stated that many of the tasks described in the report were on-going tasks. She also noted that many of the tasks could be performed during the last two weeks before closing in June, when the seniors were no longer in attendance.

- Wilczynski noted that a letter had been received from the Governor's Alliance Against Drugs, stating that Millbury will be receiving a $4,500 grant. He asked about the status of the application and was told it is being worked on and will be forwarded when completed.

- Hanratty asked for a motion to move to executive session to discuss salaries for non-union staff members. The vote was unanimous. The committee moved to executive session at 9:55 p.m. After 15 minutes, they returned to open session and moved to adjourn at 10:10 p.m.

# Flea Market and Rummage Sale

GRAFTON - A Flea Market and Rummage Sale, a once a year project of the Unitarian Universalist Society of Grafton and Upton, will be held at the church, 11 Grafton Common, on Friday, March 4, from 7 to 9 p.m. and Saturday, March 5, from 10 to noon. This sale, famous for its extraordinary bargains and varied merchandise, will have adult's and children's clothing for all seasons, linens, accessories, books, collectibles and surprise items of all kinds. There will also be a boutique area for finer things.

Doors will open promptly at 7 p.m. on Friday and 10 a.m. on Saturday, but not before.

**DEADLINE**

**The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.**

# Stefanie Chiras selected Finland-U.S. Senate Scholarship Recipient

WORCESTER - Stefanie Chiras, a junior at Worcester Academy, has been selected to represent the Commonwealth of Massachusetts as a Finland-United States Senate Scholarship recipient. The purpose of this competitive scholarship is to promote a better understanding between the people of Finland and the United States.

Stefanie was chosen out of 350 applicants from the State. Massachusetts is one of five States participating in this program. Two students are selected from each State.

In June, Stefanie and the other nine winners will meet in Washington D.C. for a few days of orientation and then will depart for Finland. She will live with a family for nine weeks and participate in their day-to-day living.

Stefanie is a high honor student at Worcester Academy. She is very active in many facets of the school, including being a member of three varsity sports teams, singing in the chorus and being a member of the CORE group. She is the daughter of Mr. and Mrs. John W. Chiras of Millbury.

# *Kollios Announces "HEAT" Program*

BOSTON - Representative Paul Kollios recently announced that the Fair Share Development Corporation will make a Representative available to assist constituents from Auburn and Millbury through the application process for 0% HEAT home energy loans.

In order to make the loans more accessible to area residents, Sheila Doiron, a representative for Fair Share Development Corporation, will be available for office hours in Auburn and Millbury during the month of March, 1988.

Ms. Doiron will be in Auburn every Tuesday in March, from noon to 4:00 p.m., at the Merriam Building, 102 Central Street, Auburn. The Millbury hours will be on Thursdays in March, from noon to 4:00 p.m., at the Millbury Town Hall Conference Room.

Through the State Energy Office's Home Energy Assistance Team (HEAT), a resident whose household gross annual income is less than $75,000 may qualify to borrow up to $11,000 at no interest. The loans would be taken out for home energy improvements such as heating system repair or replacement, insulation, storm or replacement windows and doors, and more.

HEAT is funded through a federal court order which fined Exxon Oil for overcharges to consumers during the energy crisis in the 1970's. The Massachusetts share of this overcharge settlement is being used to fund energy conservation programs for residents, such as HEAT.

Many area people have already taken advantage of HEAT. However, Fair Share Development Corp. is interested in reaching out to more residents.

Anyone who is interested in the HEAT program is invited to stop by during the Auburn and Millbury office hours in March. Program information and energy conservation booklets will be available.

According to Representative Kollios, "This is an excellent program to assist those interested in weatherizing their homes. I urge the residents of my district to take advantage of this no interest loan."

If you need further information, contact Fair Share Development Corp. in Worcester at 797-5725.

# Church to Host "Sutton Fried Chicken" Supper

SUTTON - The First Congregational Church of Sutton, Boston Road at the Common, will host a "Sutton Fried Chicken" Supper on Saturday, March 5th, with continuous servings between 5 and 7 p.m. Included with the chicken will be rice pilaf, vegetables, Indian Pudding with ice cream, and, of course, the usual homemade bread and soup. Coffee, tea and milk will also be served. Prices for this "all you can eat" dinner are as follows: $5.00 for adults, $1.50 for pre-teens, and there is no charge for children under the age of 5.

# Moore Announces Spring Office Hours

SUTTON. Representative Richard T. Moore (D-Uxbridge) has announced his March, April and May Office hours as follows:

Tuesday, March 8: For residents of Webster - 7:30 to 9:00 p.m. at the Webster Town Hall.

Thursday, March 24: For residents of Douglas, Sutton, and Uxbridge - 7:30 to 9:00 p.m. at the Uxbridge Town Hall.

Thursday, March 31: For residents of Hopedale, Mendon, Millville - 7:30 to 9:00 p.m. at the Hopedale Town Hall.

Thursday, April 7: For residents of Douglas, Sutton, and Uxbridge - 7:30 to 9:00 p.m. at the Douglas Town Hall.

Tuesday, April 12: For residents of Webster - 7:30 to 9:00 p.m. at the Webster Town Hall.

Thursday, April 14: For residents of Hopedale, Mendon, Millville - 7:30 to 9:00 p.m. at the Mendon Town Hall.

Thursday, May 5: For residents of Douglas, Sutton, and Uxbridge - 7:30 to 9:00 p.m. at the Manchaug Library.

Tuesday, May 10: For residents of Webster - 7:30 to 9:00 p.m. at the Webster Town Hall.

Thursday, May 12: For residents of Hopedale, Mendon, Millville - 7:30 to 9:00 p.m. at the Millville Town Hall.

# *Staff Positions Available at Easter Seal Camp*

Applications for staff positions in the Massachusetts Easter Seal Society Unit at Agassiz Village, a camp in West Poland, ME, are being accepted for this summer.

The Easter Seal Unit operates four, two week sessions for 160 physically handicapped children between 6-16 years of age. Students enrolled in special education and allied health programs are encourage to apply. Experience with physically disabled children is also desirable.

The camp is located on Thompson Lake in a rustic atmosphere on 650 acres of land. Activities include swimming, archery, arts and crafts, wheelchair sports, a ropes course and nature activities. Many of the activities for the disabled campers are integrated with those of the other 300 able-bodied children at the camp.

For more information, contact Rosalind Fisher at the Greater Boston Easter Seal Society, 833 Statler Office Bldg., 20 Park Plaza, Boston, MA

# Off to State Finals

Millbury High School will be among the participants in the State Finals for the National Bicentennial Competition. To reach this plateau, the students of Roger Desrosiers' U.S. History Honors class had to follow a six week course of study on the U.S. Constitution prepared by the Center for Civic Education. Once this was completed, the class had to pass a national test on the Constitution devised by the Center with an aggregate average of 70 or better. Not only did they surpass the average but each student scored above a 70. Next came the competition at North Quincy High School on February 2 to select the state finalists. Now, the next phase, the State Finals, will take place on Thursday, March 3 at the Boston College Law School in Newton Ma.

The format for this mock congressional hearing will follow the same rules as the previous program. However, the students have received a new set of questions. The class is divided into six teams covering each of the six units studied. Each team prepares three questions. At the time of the hearing, the judges will select one of the three questions and pose it to the team. Each team then makes a four minute presentation which is then followed by a six minute follow-up session on questions relating to their unit. The students are evaluated in five ways: understanding the issues, constitutional application, reasoning, supporting evidence, and participation. The panel of judges consists of educators, historians, lawyers, or government officials.

This class consists of fifteen students and, since the team must have a minimum of three students, three students will be doubling up on teams. The students and their areas of knowledge are as follows: Political Philosophy - Adam Griffith, Chris Richards, Wendy Stead; History and Experience - Darlene Gover, Brian Juneau, Michael Tift; The Constitution - Melissa Haglund, Heather Murray, Scott Pease; Establishment of the Government - Wendy Stead, John Welcom, Rodney Williams; Fundamental Rights - Brian Novak, Scott Pease, Ryan Roach; Responsibilities of the Citizen - Arlene Mattrick, Melissa Phelan, Michael Tift.

The winner of the State Finals will represent Massachusetts at the National Final competition in Washington, D.C. from April 24 through April 28.

(left to right) Heather Murray, Brian Juneau, Adam Griffith, Darlene Gover, John Welcom, Melissa Haglund, Ryan Roach, Melissa Phelan, Scott Pease, Wendy Stead, Rodney Williams, Michael Tift, Chris Richards, Brian Novak, Arlene Mattrick, Mr. Desrosiers

These students have worked hard and they have a very good chance of winning. Others have also given of their time to help them on their way. The class would like to thank Representative Paul Kollios, 7th Worcester Congressional Representative, the Honorable Stanford L. Strogoff, senior judge of the Clinton District Court, Mr. Frank Morrill, Social Studies Department Chairman at Millbury High School, and Mr. Charles Capparelli, Assistant Principal at Millbury High School. They have sat in as judges for "mock" hearings to help the students prepare for these competitions. A particular thank you to Rep. Kollios and Judge Strogoff for their assistance at both "mock" hearings, one on January 27 and the other on February 25. Also, we wish to thank Ms. Pauline Gauthier and the boys from the Cable Club for videotaping our mock hearing, thereby further enabling us to prepare more effectively for the competitions.

We know that the students, faculty, and staff at Millbury High School as well as the residents of Millbury wish them well. The class is also proud to represent Millbury, HOPEFULLY the whole State of Massachusetts.

Roger Desrosiers

# SCHOOL LUNCH MENUS

# Anniversary Update

MILLBURY - The next meeting of the 175th Anniversary Committee will be held on March 1 at 7:30 p.m. at the Town Hall. Organizations wishing to sell commemorative items are asked to contact Fred Vulter at 865-4638 or to attend the next meeting. All commemoratives must be approved by this committee which has been appointed by the Selectmen to prepare the anniversary celebration.

The following events are scheduled: Saturday, June 11 - a block party will be held at the center from 4-9 p.m. featuring a variety of musical entertainment at different locations (any group interested in operating a booth is asked to contact Tim Johnson at 865-6855.); Sunday, June 12 - Firemen's Muster; Saturday, June 18 - The Central Massachusetts Symphony Orchestra will perform at Windle Field, followed by a fireworks display; Sunday, June 19 - a bike race is planned from 1-6 p.m.; Friday, June 24 - a black tie dinner-dance will be held at the Sheraton Lincoln; Saturday, June 25 - children will participate in activities at the high school from 12-3; Sunday, July 3 - the annual Lions Club carnival and parade.

# Pastor Named to Village Bible Church

MILLBURY - The Rev. Bruce Buchanan has been named the pastor of the Village Bible Church, an independent, fundamental church presently meeting in the Raymond Memorial Church on Raymond Street in East Millbury (one block west of the Millbury Exit off the Mass. Pike).

Rev. Buchanan is a returning New Englander who was born in Boston and lived in Lexington until his family moved to New York. After graduating from high school in 1975, he attended Bob Jones University in Greenville, South Carolina, where he pursued liberal arts studies in Bible and speech. Following his undergraduate training, he traveled throughout the eastern United States acting and presenting drama seminars as a member of the Academy of Arts drama team.

In 1982 he returned to Bob Jones University to work in the Admissions Office and to pursue his graduate studies. His Master's Degree in Theology was conferred this past September. Rev. Buchanan is married, and his wife, Patty, is originally from Nebraska. The Buchanans met at Bob Jones University while she was there on faculty.

Worship services at the church are held Sundays at 11:00 a.m. and 6:30 p.m.; Sunday School precedes the evening service at 5:30 p.m. Wednesday night prayer meetings and Bible study are held at 7:00 p.m.

# Assumption School News

By Grace Laflash

Catholic Schools Week was observed with a Eucharistic Celebration centering around the theme, "Share the Spirit." It was prepared by Sandra Nearguaard and her fourth grade.

Alter servers were: Matthew Witkowski, Brian McIntyre, Ronald Salois, Ian McLeod, Mark Gurski, and Michael Mazzilli. Ryan Kasputis did the First Reading, Ronald Salois, the Psalm, and Heather Patrick, the Second Reading.

The following each recited a segment of the Creed then lighted his or her candle from a central one placed on the altar: Jesse Szynal, Erin Donahue, Melissa Deeter, James Deeter, Angelina Rocheleau, Christopher Snow, Stacey Marois assisted.

During the Prayer of the Faithful, pupils displayed posters of people of the world as the intercessions were given. Participating were: Jay Conley, Margo Reynolds, Megan Cahill, Brian McIntyre, Danielle Bourque, Hilary Keller, Kathleen Kerins, Melissa Deeter, Peter Keenan, John McClintock, Jason Jalbert, Christopher Mahan, Ryan Kasputis, and Stacey Marois.

These ceremonies emphasized this year's theme which reflects the desire of Catholics to share their faith in God and to reach out in service to all peoples of the earth.

# Anniversary Logo Pins Now on Sale

MILLBURY - Pins with the logo for Millbury's 175th Anniversary are now available at the Tax Collector's office at the Town Hall. The price of the pins is $3.00.

## MARCH HIGHLIGHTS

**TUESDAYS & THURSDAYS - GRAFX I and II:** each Thursday the Library offers its introductory graphics course to children in grades 3 and up. Once kids graduate from GRAFX I, they can take GRAFX II and learn how to make more sophisticated graphics and learn how to use a printer to print out their designs. Registration is necessary.

**MARCH 2 & 9, 3:30 - KITEMAKING:** a two part program on consecutive Wednesdays. In the first program, children in grades 4-6 will make a diamond-shaped "Eddy" kite. In the second program, children in grades 1-3 will make a "sled" kite. This program is conducted by World on a String, with Dorothea D. Szabo instructing. Registration is necessary.

**MARCH 22 - TEEN ART DISPLAY:** the library invites teens in grads 6-12 to display their art work in the library's 2nd annual "Teen Art Show", from March 22 - April 2. Art work must be suitable for handling. Small three-dimensional pieces are also welcome. Submissions are due March 8-22. Participating teens will be eligible to win 5 popular rock albums donated by WICN Radio 9.5 FM.

**MARCH 22 - PRESCHOOL STORY HOUR REGISTRATION:** registration starts for the spring session of the library's popular story hour series. Each session involves your child in stories, games, songs or crafts. This program is designed to help your preschooler to develop a love for books. Two story hour sessions will be offered at 10:30 on Tuesdays and Thursdays. Registration takes place at the library.

**MARCH 24 - READING AND DISCUSSING BOOKS WITH PROFESSOR ALEX BELISLE:** this is the second part of a three part reading/discussion series. Professor Belisle will discuss the book *Our Gang* by Philip Roth, using it as a pivotal point to talk about contemporary American fiction. Copies of *Our Gang* are available at the library. Registration for this provocative and educational program starts on March 1.

## Attend Relocation Seminar

Virginia Sennott, Brenda Knight Sheets and Ellen Sennott of Century 21 Westward Homes, located in Wellesley, Hopkinton and Grafton, have just returned from San Jose, California where they attended the semi-annual convention of INRELCO (International Relocation Consultants, Inc.) held February 3rd through the 6th at the Fairmont in San Jose. Century 21 Westward Homes is a member in the Metrowest area for this International Relocation Firm.

INRELCO is an international organization of real restate companies in 49 states and Canada with a total of 650 real estate offices, all specialists in relocation. The San Jose meeting was the 22nd INRELCO Convention for the organization that was founded in 1976. The San Jose convention included general seminars, educational sessions, and workshops with several hundred in attendance. Among the nationally known speakers addressing the INRELCO members were: Danny Cox with his "Leadership When The Heat Is On"; Kerry L. Johnson, Ph.D., "How To Read Your Client's Mind"; and Larry Wilde's, "When You're Up To Your Eyeballs In Alligators."

According to Don Smith, President of INRELCO, "The San Jose meeting was the beginning of INRELCO's 'Future Vision'. INRELCO's membership has been growing at an increasing rate over the past several months. These companies have met the standards of excellence in serving the transferred family. They are prospering companies with a driving interest in providing professional service in the relocation industry."

## Tickets Available for Anniversary Ball

MILLBURY - On June 24, a formal ball (period dress) in honor of Millbury's 175 Anniversary, will be held at the Sheraton-Lincoln Inn, Worcester, featuring the Gerry Secco Band.

Tickets, at a cost of $30 each, may be purchased at the Tax Collector's office in the Town Hall.

## Tax Forms Available at Library

MILLBURY - The Millbury Public Library, 128 Elm Street, now has several hundred copies of the most demanded federal tax forms. In addition to these tax forms, the library also has reproducible copies of hard to get tax forms and instructions. These include: Form 3903, Moving Expenses; Form 8332, Form 8283, Noncash Charitable Contributions; Form 5695, Residential Energy Credit; and many more. The library also has a variety of books and two video cassettes that will help you successfully complete your taxes this year.

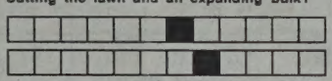
## What's the Difference?

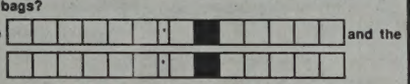
By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

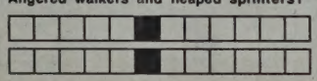
1. Cutting the lawn and an expanding bulk?



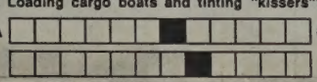
2. The seaman's small nails and the clothes-menders bags?



3. Angered walkers and heaped sprinters?



4. Loading cargo boats and tinting "kissers"?



9-27

ANSWERS: 1. Mowing grass and a growing mass. 2. The sailor's tacks and the tailor's sacks. 3. Filed pacers and piled racers. 4. Lading ships and shading lips.

## DEADLINE

**The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.**

this point," he said. Radebaugh also noted that the ash contains "a lot of lead and cadmium, but there's not any available technology to get it." He added that if anyone can figure out a way to get it out, they may be able to "make a few bucks."

Relative to the toxicity of the residue, Kathy Klein observed, "You can't get a permit to use sludge from waste treatment plants. It might be interesting to get an expert in from DEQE to explain things to us."

It was the consensus of the committee that since the town of Shrewsbury has a contract with Wheelabrator to receive the ash for the next twenty years, the question was mute. However, the committee will discuss the issue at future meetings. "What Mr. Rudnickas is saying," Walinsky added "is that the town of Millbury would be remiss in not investigating it if it was found 20 years from now that it (the ash residue) was worth something."

In a related matter Mrs. Campolito asked Radebaugh if it is true that the Wheelabrator plant in Peekskill, New York is being sued by the Environmental Defense Fund for mishandling the ash residue there. She also asked if the ash is being handled in the same way at the Millbury facility. Radebaugh confirmed that there was a suit in progress. "I don't know how they're handling it (the ash)," he said. "We containerize all our stuff at the plant. They don't do that at Westchester."

The last item discussed at the meeting was the proposed transfer station. Larry Bird, Advisory Committee member, asked, "Why don't we use Wheelabrator's transfer station?"

Radebaugh replied that there may be problems with insurance and traffic concerns. Again Bird stated, "Why should we spend a million? There's one already built and we're going to pay for another one to be built?"

Committee member Fred Ploch cautioned that the town's dumping limit is 11,000 tons. "We don't want Grafton or Shrewsbury's junk. We've got to be able to police it."

Radebaugh then warned that Massachusetts landfills should be closed before 1990. "In 1990, new regulations will take effect and it's going to be tough. You'll have to have double liners, etc. Make sure you get out by 1990," he advised.

# Bill aimed at improving educational climate

BOSTON. The Massachusetts legislature recently enacted a bill aimed at improving the climate for teaching and learning in the Commonwealth. H.6371, an act enhancing the teaching profession and recognizing educational achievement, will create new educational grant programs and increase the funding for others.

The new legislation reaffirms the state's 1985 commitment to increased teachers' salaries by providing state resources to communities raising their minimum salary to $20,000.

The legislation also establishes a Carnegie Schools Program which allows schools to establish models of school based management where teachers, principals, and parents will have unprecedented influence and are allowed to make key decisions regarding the education of students in that building.

Rep. Richard T. Moore (D-Uxbridge), announced, "The public school systems serving families of the 8th Worcester District will benefit from $52,990 in additional funds for our school improvement councils."

In addition, the legislation creates a Professional Development Schools Program to provide for the training of "rookie" teachers and the on-going professional development of veteran teachers. Also, for the first time, the state will be sponsoring a program, REACH (Recognizing Educational Achievement), designed to recognize and reward school improvement. Every year substantial cash awards will be granted to schools which improve student performance in any one of a number of categories established by the State Board of Education.
